

2017 Tennessee Engineers' Conference

September 27-29, 2017 | Music City Center | Nashville, TN

Call for Presentations

Join public and private sector professional engineers from across the state of Tennessee at the 2017 TN Engineer's Conference. The technical programs will be organized into seven tracks including one devoted entirely to the engineers of the future. The Education Committee is looking for topics designed to provide relevant education and training, including insight on innovation and new technologies in the industry. Does your topic fit into one of the following categories?

**Civil & Environmental
Structural
Geotechnical**

**Transportation
Engineering Management
Electrical, Mechanical, & Industrial**

Guidelines for Presentations

To improve the chances that your proposal will be accepted for inclusion, please consider the following:

- Concurrent technical sessions will last 50 minutes. They should include no more than 35 - 40 minutes of presentation followed by least 10 - 15 minutes for questions.
- Presentation proposals should clearly outline the presentation's subject and content. The topic should be of relevance to the Professional Engineering community, and provide unique, insightful and useful content.
- We invite professionals from all types of organizations, including those who are working in the public sector, to submit proposals.
- Please do not submit a proposal unless you will be willing to make a presentation on any of the conference dates (sessions will be presented on September 28th and 29th).

Presentation Submission Requirements

Please prepare a concise and thorough response containing the following:

- Presentation title -- this information will be used in the printed program, and short abstract
- Name, title, address, telephone, and e-mail address for the primary contact person.

How to Submit

- Proposals are due by **4:00 pm on Friday, May 5, 2017.**
- Proposals should be submitted electronically to Monica Sartain at monica.sartain@pca-llc.biz with the subject line *TEC Call for Presentations*
- The point of contact in the proposal will be notified of their status by May 31, 2017.
- Complimentary registration will be provided to presenters for the day of their presentation. Presenters are otherwise financially responsible for conference attendance and all expenses involved in the delivery of all presentations.
